The time of the year is fast approaching when houseless people will find themselves in need of warm clothing. Items currently needed:

Due to limited storage, the items below are the ONLY items Akron Snow Angels are collecting. There are many other organizations that will take your summer clothing, furniture & toys. If you would like a recommendation, please email us and we can put you in touch with another amazing organization that can use those items. When we are in need of any special items, we will make postings on the Facebook page.

Items below are for men & women. When thinking about clothing, please understand we need items that are going to keep people very warm! Not thin jackets. We need heavy-duty winter coats.

The items should be new or gently used. All gently used items must be washed prior to donating. Items should be secured in bags. All donated items are the property of Akron Snow Angels.
